Media Release
Annual Crowle Needlecraft Sale and Grand Bazaar

Achieve Australia is holding its annual Crowle Needlecraft Sale and Grand Bazaar on Saturday 7 May 2011 at 76 Belmore Street Ryde from 8:30am to 3:30pm.

The annual fundraising event is very popular in the community, especially for those with a passion for needlecraft. It features an extensive collection of handcrafted and knitted children's wear, craft lines, embroidery, tapestry, crochet items, linen and antiques.

The Vintage and Value Enterprises will also be open on the day, including the Fabric Cave, Needlecraft Emporium, Plant Nurseries, Secondhand Bookshop and Pre-loved clothing.

The Annual Crowle Needlecraft Sale and Grand Bazaar is a fantastic day for needlecraft lovers to browse through our large collection of goods and find some great bargains.

It is a volunteer organised event and we appreciate the tremendous volunteer efforts to keep the annual event running to raise money for our underfunded and unfunded programs we provide for people with disability.

The event is open to the public and visitors are encouraged to get in early to pick up a bargain or even a Mother's Day gift.

Refreshments will be available for purchase on the day.
