

Membership Charter

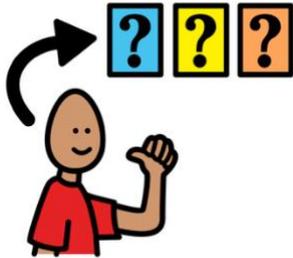

Easy Read

Being a member of Achieve Australia

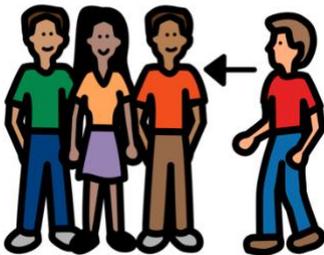

We are Achieve Australia

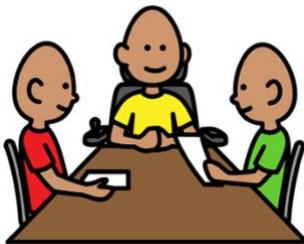

Our short name is Achieve

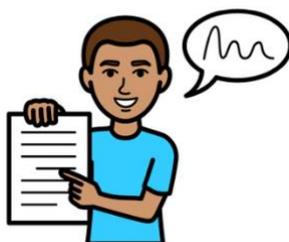

We wrote this for people who making important decisions for Achieve

A person who makes decisions for Achieve is called a member

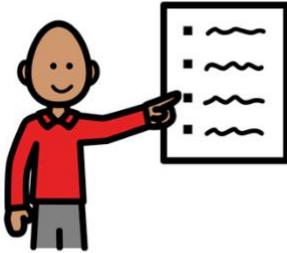

These people help Achieve by going to meetings and sharing ideas

This information explains how Achieve works for members

It says what members can do

**It says what Achieve thinks
members should do**

**This information is written down so people
can read it again later**

Achieve has books with rules

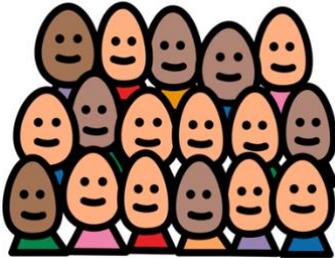

These rules explain how we must work

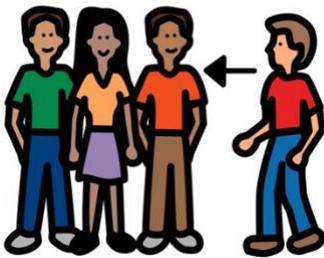

One rule book is called the Constitution

You must also read the Constitution

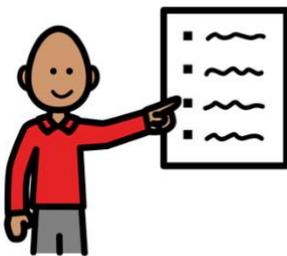

The second rule book is called the

Membership Charter

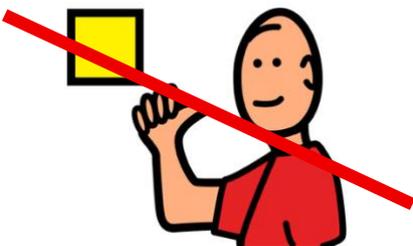

This rule book explains

rules about being a member

When you joined Achieve,

you said you would follow these rules

Being a member does not mean

you own Achieve

**Members help Achieve
make decisions in a fair way**

Your rights as a member

As a member, there are things you can do

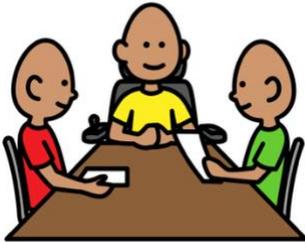

These things help you take part in Achieve

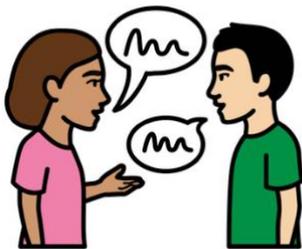

The things you can do are called your rights

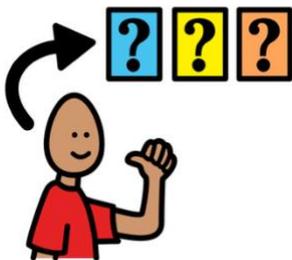

Your rights help you have a say at Achieve

You have the right to go to meetings

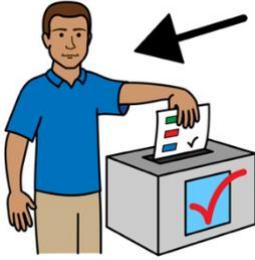

**Meetings are where
members talk about Achieve**

At meetings, members help make decisions

**You have the rights to
share your thoughts at meetings**

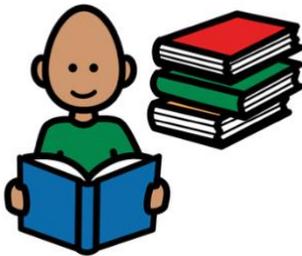

You have the right to vote at meetings

Voting means choosing what Achieve should do

**You have the right to
get information from Achieve**

**For example,
you can read important documents**

achieve
australia

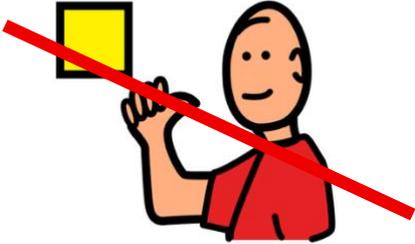

**These documents
explain how Achieve works**

Your rights help you take part in a fair way

You agree to pay up to \$5 if Achieve stops working and cannot pay expenses

You do not own Achieve or its property
