

News about your Haberfield and Como programs

achieve
australia

We are Achieve Australia.
We will soon run the programs at
Como and Haberfield.

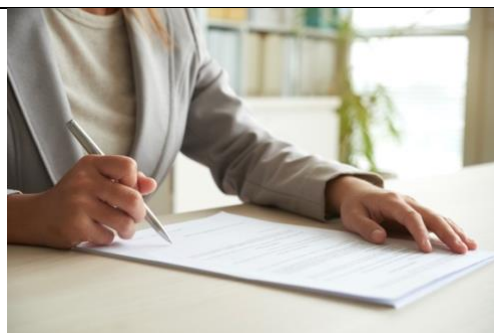

Kiran and Bronte met every participant
at Como. They talked about the change
and how everyone feels.

Kiran and Bronte visited both centres.
They met all the workers and some
participants.

Bronte will phone each family soon.
She will set a time to talk about new
Service Agreements.

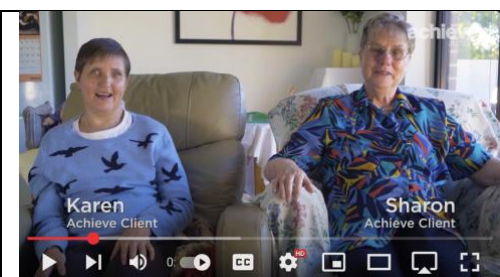

Your Service Agreement tells you

- what supports you get
- who gives the supports
- when the supports happen.

The change to Achieve will happen in
July 2025. Your daily routine will stay
the same.
