

News Update

Hello team,

Thank you for the warm welcome you've given the Achieve transition team. Meeting each of you and hearing about your experience, passion and dedication to the people you support has been a pleasure.

Where we're are now:

Interviews are still in progress and will continue over the next few days. Your openness in these conversations is greatly appreciated and helps us understand how your skills align with Achieve.

What happens next:

- **10 – 12 June:** we'll let everyone know the outcome of the interview process.
- Offers of employment will be sent soon after to team members moving across to Achieve.
- **24 June:** we'll hold a full-day induction at the Haberfield site for all transitioning team members. More details will follow shortly.

The induction will cover Achieve's passion, purpose and principles; our practice approach, systems and payroll.

Further induction sessions will be held post transition to build on your knowledge and provide additional training.

Additional Achieve leaders will be on site during the first months to help daily routines run smoothly.

If you have any questions of Achieve please contact Bronte Rees, **M** [0429 944 155](tel:0429944155), **E** SVDPtransition@achieveaustralia.org.au
